What makes us different from other English language study centres?

Investing in people, the community and our future

Our variety of on-site facilities and our commitment to continual investment makes Harrow House a great place for students to learn within a safe and internationally diverse environment.

As a permanent site, we offer a complete English boarding experience with a wide range of activities and evening entertainment each day, from the moment you arrive to the time you leave.

Harrow House is the only international language college in Swanage and therefore our students can enjoy integration with English people, their customs and the English way of life.

Why learn English at Harrow House?

All language teachers at Harrow House have the fluency of native English speakers and are trained and qualified in the teaching of English as a foreign language.

We have small, friendly and informal classroom environments. Class sizes typically range between 8 and 16 students with a maximum class size of 18.

The care and attention given to students by our teaching staff, both inside and outside the classroom, creates a friendly and happy atmosphere at Harrow House.

The name Harrow House stands for quality and professionalism in teaching.

Swanage is the Perfect Seaside Location

Swanage town

Swanage, originally a small fishing village, grew in the Victorian era when it became an important seaside resort.

Today the town remains a popular tourist destination with its famous pier, a variety of restaurants, pubs and cafes, and a number of music and arts festivals and historical attractions.

Many thousands of visitors come to enjoy the beaches, lovely walks and amazing coastal scenery as well as the south coast's largest annual summer carnival.

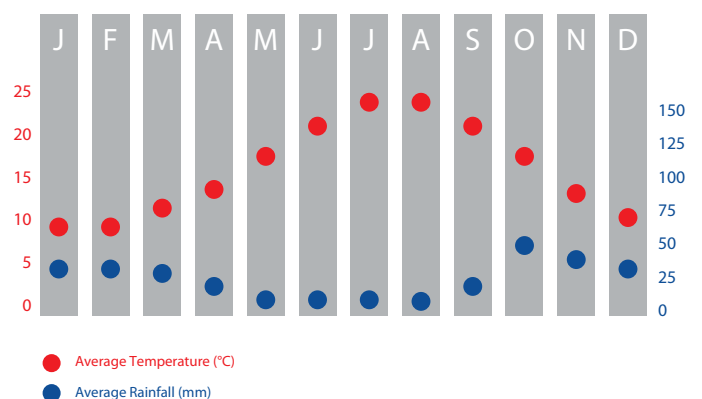

Swanage is safe

Swanage is one of the top Blue Flag seaside resorts in the UK, rated for cleanliness, safety and incredible beauty. Swanage is 2.5 hours from London and has one of the lowest crime rates in England. It also benefits from excellent transport links with buses and trains that can take you around the UK.

Harrow House has an elevated position in the heart of Swanage town, with excellent views of the surrounding Purbeck Hills, the sea and the Isle of Wight. It is just a short walk to the beach and town centre.

Swanage climate

Due to its geographical position, Swanage enjoys a very mild climate and often tops the British Sunshine League.

THE JURASSIC COAST

The Jurassic Coast is a Natural UNESCO World Heritage Site

Fantastic scenery on the doorstep

Welcome to the Jurassic Coast, England's only natural UNESCO World Heritage Site.

This unique part of the coastline has joined the Great Barrier Reef and the Grand Canyon as one of the wonders of the natural world. The coast is famous for its fossil discoveries, its range of beautiful sandy beaches and its many historic towns and villages.

Harrow House is a popular educational venue to host groups from the UK and around the world who come to visit and study this uniquely beautiful stretch of coastline.

Rich in history

The Jurassic Coast is just the start of an amazing journey into British history.

Swanage, and the surrounding area, is typically English and is surrounded by beautiful villages, castles and stately homes as well as historic sites that date back to prehistoric, Roman, medieval and Victorian times.

English culture and history at its finest

Swanage and Purbeck on the south coast of England have many globally important geological features.

The Jurassic Coast as a whole is made up of 8 sections along 155 km of largely undeveloped coast, which displays 185 million years of the Earth's history, including a number of internationally important fossil locations.

Swanage is very lucky not only to be the gateway town to this UNESCO World Heritage Site but also to have its main visitor centre located at Durlston Castle and Country Park.

Which Course is Right for YOU?

All of our courses aim to increase confidence both linguistically and personally through communication activities and focus on teamwork and cultural sharing as well as the more traditional aspects of language learning.

Please check the English language level and age requirements for each course, then look at the activities that go alongside the English to ensure they are right for you, before completing the enrolment form. Courses at beginners' level are offered to Young Learners and Junior Course students only.

All students will take a placement test on the first day of their course. The student is then put in a class which is best suited to their age and ability. Weekly teachers' meetings enable us to check the progress of each student and to decide whether a change of level is necessary.

JUNIOR COURSES

Lively Learning for Ages 11 - 17

Junior Courses feature:

At Harrow House we offer Junior Courses from January to November.

The first courses offered at Harrow House in 1969 were Junior Courses, making ours the most established and longest running Junior Courses in the UK. The success of these courses is highlighted by the very high student return rate, with many students returning for a second year and some returning for a number of years.

All our Junior students are taught English through the medium of popular British culture. From films such as Harry Potter and Sherlock, lyrics from British pop music, classic and modern literature like Tolkien and Roald Dahl, football and sporting icons plus much more.

The key features and attractions of the Harrow House Junior Courses include:

- Great facilities which are used throughout the day to give students a full programme of activities to keep them occupied and entertained.
- A varied evening entertainment programme including sports, games and competitions as well as academic and leisure options.
- An international and culturally diverse atmosphere created by students from as many as 50 countries throughout the year.
- Our dedicated teachers, residential staff and welfare team who offer 24/7 care and attention.
- A safe and secure location with on-site College or Homestay accommodation within walking distance of the town centre.
- Challenging and interactive classroom environments.
- English Language classes which focus on the most popular parts of British Culture as well as personal development.
- A life experience for all our students that will broaden their horizons.

Adult Learning for Ages 18+

General English in Action Course

Our Adult Course follows a structured programme covering the four basic language skills of listening, speaking, reading and writing. There is a strong emphasis on communication skills as well as grammar in context, vocabulary and syntax. Students receive regular progress assessments and feedback.

Adult students have an excellent opportunity to improve their English language skills not only in the classroom but also during our unique English in Action Programme. English in Action has a focus on using English in context, experiencing aspects of British culture, the UNESCO Jurassic Coast and local area. It is designed for adult students to become fully immersed in our English local culture accompanied by our friendly staff.

By making the course contents highly personalised we are able to meet the students' needs and interests, and ensures a high level of individual motivation and satisfaction.
