## LOCATION:

National College of Ireland (NCI) is a state of the art innovative campus located on Dublin's docklands in the city centre incorporating Dublin's financial district. This area is also home to the European Headquarters of Google, Facebook, LinkedIn and Twitter. Dublin's main attractions such as Temple Bar, St. Stephen's Green and Grafton Street are within walking distance of NCI.

## TRAVEL TIME FROM AIRPORT:

NCI is located 10 km from Dublin Airport. Journey time (depending on traffic) is approximately 25 minutes.

## AIRPORT TRANSFER:

If you booked an airport transfer, you will see an ATC representative waiting with an ATC Language Schools sign in the Arrivals Hall, where you will see your first and last name.

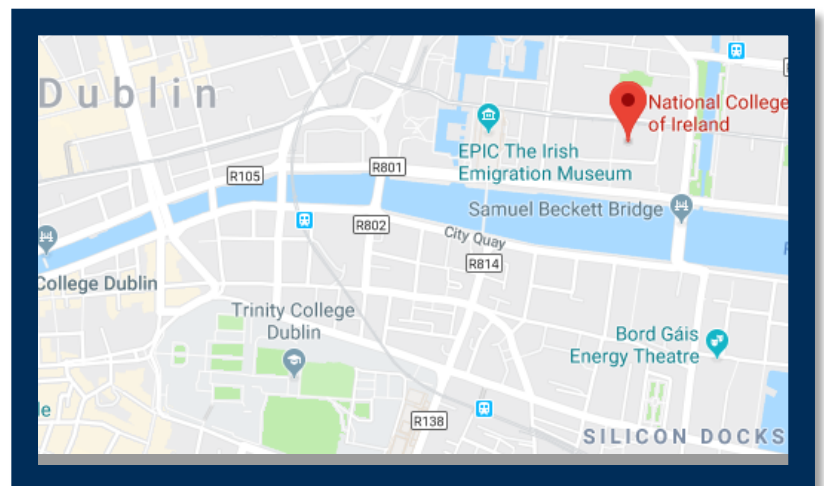

If you are unable to locate an ATC representative or are delayed in the baggage reclaim, please call 0035312087254.

## OTHER TRANSPORT OPTIONS:

There are regular connecting buses from the airport to the city centre, including a special shuttle service, Airlink, which brings passengers directly to Busáras (Central Bus Station, Dublin). There are usually a large number of taxis in operation at Dublin Airport at all times.

## ARRIVAL PROCEDURES FOR STUDENTS:

On arrival to NCI, you will be required to check in. When you arrive on campus, an ATC member of staff will welcome you and assist you throughout your stay. You will be required to complete some paperwork and provide a security deposit before you receive your room key.

## ACCOMMODATION RULES:

At NCI our primary concern is for the safety and comfort of all our residents and staff. The following list of rules outlines the necessary requirements. Please contact a member of the Accommodation Office staff if you have any queries about any of the items listed.

- Each resident has a duty to behave in a responsible manner.
- Due to the nature of shared accommodation, residents who are in the company of others who behave badly may be seen as partly responsible and disciplined accordingly. Likewise, residents that do not admit to their part in a particular issue may cause their flatmates to receive disciplinary action unfairly.
- Repeated breaking of rules and lease will result in eviction, depending on the frequency and severity of the misbehaviour.
- RESPECT: At all times residents are asked to behave in a way that is respectful and not to cause disturbance to their fellow residents, campus staff, and campus students.
- Any resident who has lost/misplaced key cards to their apartment can contact security by using the intercom buzzer at the main gate or in the accommodation archways. Students must show photo ID to gain access and show their key card to security once in the apartment. Security deal with many priorities during their duties so they may take at least 15 minutes to arrive.

## SECURITY:

There are 24 hour security guards monitoring the campus, dealing with security related matters and responding to fire alarm activations. Students may be asked to identify themselves and respond to directions relating to safety and security.

## ACCESS KEY CARDS:

Room keys cards will be provided for each student. Lost or broken cards can be replaced by NCI staff at a nominal cost.

Students will have two lessons per day with two different teachers, giving them the opportunity to experience different teaching techniques and methods during their course.

Students will also get two seminars of 2 and a half hours each per week of "World of Work", for a total of 40 hours tuition in two weeks. Hours completed will be included in the final certificate.

Students take regular tests in order for teachers to monitor progress and ensure students are learning during lessons.

## FIRST DAY:

On the first day of classes students will take a placement test, this is designed to establish their level to allow the academic staff to determine the students' abilities and place them in a group of similar language capabilities. # STUDENT WELFARE

The welfare of our students is of paramount importance to us and we offer a high standard of care and supervision to all our students. We provide nominated ATC staff members to act as guardians to our individual students that travel without group leaders. It is very important for us that our students remain happy and healthy throughout their stay.

Our management team at NCI, along with our teachers and activity leaders will ensure that all students receive the best possible care and attention so as to maximise their experience during their study holiday.

## POCKET MONEY:

ATC Language Schools do not provide a pocket money service for students, it is recommended that students arrive with adequate spending money based on the duration of their study holiday. We recommend €100 as an average budget per week. This can be used in emergencies, for buying souvenirs or for the little extras the students like to do with friends.

## CURFEW TIMES:

**Under 18:** Evening activities take place on campus between 20:00 and 22:00. Students are expected to return to their apartments by 22:30. Students found outside after this time will receive disciplinary action.
