## Summer Family Programme

Our Summer Family Programme offers you the chance to experience a family holiday with a difference. The course starts on **15th June 2020**. You are able to study from **1 - 9 weeks** until **14th August** when the programme finishes.

### Parents

Choose any of our standard courses such as English for Work & Life, Business English or General English. For more details, visit <https://www.wimbledon-school.ac.uk/courses/>

### Children (aged 8 - 15)

Join a separate topic-based programme which includes two themed activities/excursions per week. Each weekly module includes reading, writing, listening & speaking, and helps students develop soft skills such as teamwork and mindfulness. There is topic-based project work, which they will share with their classmates at the end of the week

**Example projects:** Planet Earth; Spooky London; Theatre and Drama; Art of London

(Turn over for detailed descriptions of each project)

# Summer Family Programme Projects

## Planet Earth

Explore ways, small and large, of making a real difference to our environment, looking at practical small changes we can all make (such as creating your own cosmetics), and working on a project such as producing a commercial for water awareness or an environmental report on WSE

### *Example excursions:*

- A biodiversity nature hike
- The Atmosphere Gallery at the Science Museum

## Spooky London

London is full of ghosts. This week gives children the chance to learn some of London's best ghost stories, as they work towards producing their own in a variety of formats.

### *Example excursions:*

- A trip to the Monster Supply Shop
- A visit to the Mummies in the British Museum or the London Mithraeum

## Theatre and Drama

Shakespeare is just one of the world-famous playwrights to have mastered his art in London. This week enables children as they develop skills around acting, directing and even scriptwriting.

### *Example excursions:*

- A theatre tour
- A visit to some of London's most iconic film sets

## Art of London

From Monet to Banksy, London is home to outstanding art & design. Students can try a variety of artistic skills, from replicating the self-portraits of Frida Kahlo to making their own stencils to paint the walls of Wimbledon School of English, plus work on a creative project based on an artist, technique or art & design movement of their choice.

### *Example excursions:*

- Finding Banksy paintings in Camden
- A trip to one of London's many world-class art galleries
